

ASHI TRIVEDI

Social Media Manager | Content, Influencer & Video Strategy (B2B + B2C)

I am a Social Media Manager with proven experience leading **end-to-end social media operations** for fintech, FMCG, retail, and distribution-led brands. I manage everything from strategy and content planning to execution, influencer campaigns, video scripting, and analytics.

My focus is on building systems that create visibility, trust, and measurable business growth, not just posts. I align social media output with business goals by combining strategic thinking with strong execution discipline.

WHAT I DO (CORE EXPERTISE)

Social Media Strategy & Growth

- End-to-end social media ownership across **LinkedIn, Instagram, Facebook, WhatsApp Channels**
- Platform-specific strategies for **B2B, B2C, and CXO personal brands**
- Organic growth frameworks with analytics and reporting
- Annual Operating Plans (AOPs) aligned with business goals

CXO & Founder Personal Branding

- Scaled a CEO's LinkedIn presence from **~10K to 13K+ followers in 4 months**
- Generated **100K+ impressions** organically with multiple high-performing posts
- Crafted founder-led narratives focused on **leadership, ecosystem insights, and trust**
- Designed authentic post formats tailored to executive audiences
- Wrote a long-form LinkedIn article on the future of Nigeria's B2B commerce and digital economy, grounded in real market observations and leadership insights.
The post generated strong traction and **initiated high-quality discussions** among operators, founders, and ecosystem stakeholders in the comments. Researched insights from multiple sources.

Strengthened CXO positioning through **clear, insight-driven writing** tailored for senior leadership and professional audiences.

- Used LinkedIn Sales Navigator to research and reach out to relevant CXOs, supporting relationship building and strengthening high-value connections alongside the publication of thought leadership content.

Influencer Marketing (Strategy → Execution → Negotiation)

I handle influencer marketing **end-to-end** with coordination.

What I manage:

- Influencer shortlisting & relevance mapping
- Campaign ideation and messaging
- Brief creation & content alignment
- **Cost negotiation & deliverables locking**
- Performance tracking & reporting

Campaign Highlight

- Delivered **142K+ organic views, 9K+ likes, and 100+ leads**
- Target audience: small business owners & franchise-curious users
- **Influencer Cost Negotiation: ₦450,000**
- Outcome: Strong awareness + lead intent without paid amplification

This campaign built high recall among entrepreneurial audiences while maintaining cost efficiency and brand alignment.

Campaign Highlight — Saudat Salami

Objective: Drive awareness and engagement across Instagram and Facebook through a targeted influencer collaboration.

The campaign generated **38,590 total views across Instagram and Facebook**, driving **180 link clicks** and **178 profile visits on Instagram**. Engagement remained strong, with **186 likes, 71 comments, 20 shares, and 31 saves**, indicating active audience interaction beyond passive viewing. From a cost perspective, the campaign maintained high efficiency, achieving a **cost per view of ₦40.1** and a **cost per reach of ₦50.14**, delivering meaningful visibility and engagement at a controlled spend.

Outcome:

The campaign delivered strong visibility and engagement at an efficient cost, driving meaningful traffic and profile discovery while maintaining healthy interaction metrics across platforms.
